DETAILED ACTION

The Terminal Disclaimer filed on 20 July 2004 has been acknowledged.

Terminal Disclaimer

1. The terminal disclaimer filed on 20 July 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,273,544 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 130-138 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 130-138 is the inclusion of the limitation of an inkjet printhead that includes a series of nozzles, each of said nozzles has a rim formed by the deposition of a rim material layer over a sacrificial layer of a subsequent planar removal of part of at least said rim material layer so as to form said nozzle rim. It is this limitation found in the claims, as it is claimed in the combination of, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
